WHAT'S UP?

TMU workers represented by CUPE 233 and OPSEU 596 are being unfairly targeted by the university. Management has unilaterally created a two-tiered pension plan and is not offering wages that keep up with inflation. We need to support TMU staff in bargaining for a fair deal.

SPEAKERS INCLUDE

- Janice Folk-Dawson, Executive Vice-President, Ontario Federation of Labour
- JP Hornick, President, OPSEU
- David Simao, Chair, CUPE University Workers Committee
